**Crypto assets are highly volatile instruments. The value of any crypto asset can fall as well as rise. You may receive back less than you invest. Past performance is not a reliable indicator of future results. Nothing on this website constitutes financial advice, investment advice, or a recommendation to buy, sell, or hold any asset.**

## 1. About This Website

This website is operated by BONK Community Foundation, Ltd. (“BONK Foundation”), an entity that supports the BONK token ecosystem through community engagement, education, and ecosystem development. BONK Foundation is not a registered investment adviser, broker-dealer, securities firm, financial institution, or licensed financial intermediary in any jurisdiction.

This website functions as an informational hub. Products and services accessible via links from this site are operated by independent third-party entities. BONK Foundation does not operate, control, or assume responsibility for those third-party platforms, their terms, or the products and services they offer. Please review the terms and disclosures of any third-party platform before using it.

## 2. Not Financial or Investment Advice

Nothing on this website constitutes or should be construed as:

- Financial, investment, tax, legal, or other professional advice;
- A recommendation, solicitation, or offer to buy or sell any asset or security;
- A prediction or guarantee of future performance or returns.

You should conduct your own independent research and, where appropriate, seek advice from a qualified financial, legal, or tax professional before making any decision relating to digital assets.

## 3. Risk Factors

Engaging with digital assets, decentralized protocols, or any products linked from this site involves significant risks, including but not limited to:

- **Price volatility:** Digital asset prices can change rapidly and substantially, and you may lose your entire investment.
- **Liquidity risk:** There may not always be a ready market to sell a digital asset at the price you expect or at all.
- **Technology risk:** Smart contracts, blockchain networks, and associated software may contain bugs, vulnerabilities, or be subject to exploits that result in loss of funds.
- **Regulatory risk:** The legal and regulatory status of digital assets varies across jurisdictions and may change. Such changes could adversely affect the value or availability of digital assets.
- **Custody risk:** Holding digital assets in self-custody wallets carries risk of permanent loss if private keys are lost, stolen, or compromised.

- Third-party risk: Platforms, exchanges, and protocols linked from this site are operated by independent entities. BONK Foundation is not responsible for their conduct, solvency, or the safety of funds held with them.

#### **4. Regulated Products Linked From This Site**

Certain products accessible via links on this site are regulated financial instruments offered by separately regulated third-party entities. These include exchange-traded products (ETPs) and institutional investment vehicles. Each such product is subject to the terms, disclosures, and regulatory requirements of its issuer and the jurisdiction in which it is offered.

Before accessing or investing in any such product: (a) read the relevant prospectus, key information document (KID), or equivalent disclosure document in full; (b) confirm you meet the eligibility criteria applicable in your jurisdiction; and (c) understand that such products may not be available to you depending on where you are located. BONK Foundation does not distribute, manage, or provide investment advice in respect of any such product.

#### **5. BNKK**

References on this website to BNKK are for informational purposes only. BNKK is an independent publicly traded company listed on NASDAQ and is a separate legal entity from BONK Foundation. Nothing on this website constitutes a solicitation, offer, or recommendation to buy or sell BNKK securities. For investor relations information, please refer to BNKK's official investor relations communications.

#### **6. Forward-Looking Statements**

This website may contain statements about future events, plans, or expectations relating to the BONK ecosystem. Such statements are based on current expectations and assumptions and involve risks and uncertainties. Actual outcomes may differ materially from those described. BONK Community Foundation, Ltd. undertakes no obligation to update any forward-looking statements.

#### **7. No Warranty**

This website and its content are provided on an "as is" and "as available" basis without any warranty of any kind, express or implied. BONK Foundation does not warrant that the website will be uninterrupted, error-free, or free of viruses or other harmful components, or that the information on it is accurate, complete, or up to date.

#### **8. Limitation of Liability**

To the maximum extent permitted by applicable law, BONK Foundation and its affiliates, officers, contributors, and agents shall not be liable for any direct, indirect, incidental, special, or consequential loss or damage arising out of or in connection with your use of this website, any linked third-party platform, or any digital asset, including but not limited to loss of funds, loss of profits, or loss of data.

#### **9. Jurisdiction**

This website is intended for general audiences. Certain linked products and services may not be available in all jurisdictions. It is your responsibility to ensure that your access to and use of this website and any linked products complies with the laws applicable in your jurisdiction. Nothing on this website is directed at any person in any jurisdiction where its distribution or use would be contrary to local law or regulation.
